

## Synergy Solutions = Power of Team + Innovation

***Synergy Solutions has developed a unique specialization in the support of Data Breach Programs, which are unique in their short course and highly sensitive nature. We handle these highly sensitive inbound calls from breach affected populations who are calling to enroll in a credit monitoring product, to receive assistance with web enrollment or to ask general questions about the data breach incident and/or credit monitoring and identity theft.***

Headquartered in Scottsdale, Arizona, Synergy specializes in “high-end, high-touch” programs in which the customer experience is essential to success. We are committed to providing our clients with solutions to increase sales, decrease attrition, enhance customer delight and drive consumer loyalty.

Utilizing flexible technology to enable speed to market in a dynamic environment, we partner with leading companies across a variety of industries to provide efficient, value-added solutions that lower costs and elevate the customer experience.

***Synergy offers the expertise, pricing and technical/analytical resources of a large corporation, while maintaining the innovation and agility typically found only in small, boutique companies.***

Synergy Solutions was founded by a team of industry veterans, each with an average of 20+ year's industry experience and proven results driving solutions at all levels of the organization.

This expertise is enterprise-wide and extends to every corner of the company.

Our Mission is based on the concept of “Synovation.” Synovation can be defined as combining synergy and innovation. Our commitment to continuous improvement and our continual focus on systems, processes and people enable Synergy to lead our clients and employees into the next generation of customer contact solutions.

Our Vision is to bring together the best people in the industry to provide superior service and valuable expertise, which propels our client partners to exceed their strategic goals.
